Interiorscapes, Inc.

Ground breaking plant design

Let Interiorscapes add sparkle and style to your event!

Our expert event professionals transform bare spaces into dazzling environments to create the perfect atmosphere and mood for each event.

We take care of all the design aspects from plant rentals to props to floral centerpieces. Our designers will work with your budget and taste to create a sophisticated event.

Brighten up your space with plant rentals!

Plant rentals are a great way to enhance your space. We rent ferns, ficuses, palms, colorful tropical plants and more for corporate events.

We have a wide variety of plants in various shapes and styles to fit your needs. We will choose pots that best fit your style and deliver the plant to you.

Another way to add class and sophistication to your event space is with our superbly designed floral centerpieces.
